Woven Carpet Yarns

WHAT YOU CAN EXPECT

Widely recognised as the first choice in backings, both **Donbac®** primary and **Lobac®** secondary are cost effective solutions to meet current demands.

Our **Daltex®** range offers a versatile, low-shrink nonwoven alternative for carpet tile and underlay backing.

Lobrene® scrims and laminate substrates are widely used to offer strength and stability for a variety of underlays.

Our **Donfil®** carpet yarns are the ideal synthetic alternative to traditional natural yarns. With a variety of flat, twisted and lubricated yarns, we ensure we have the perfect solution.

floorcoverings

High quality synthetic backings and yarns

D&L FLOORCOVERINGS

Manufacturing high quality synthetic backings and yarns for over 50 years.

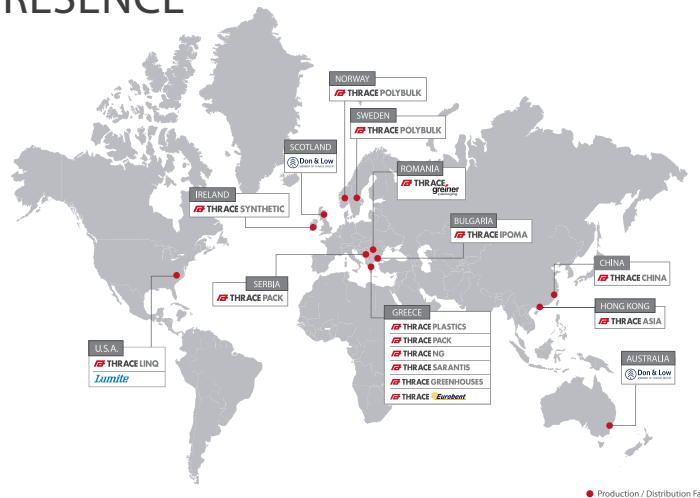

Don & Low are a global market leader in the manufacture of high performance polypropylene carpet and underlay substrates.

QUALITY IS KEY AT DON & LOW

We never compromise on quality, from the raw materials we purchase right through to the finished goods we produce.

Continuous investment, quality management systems and extensive experience all contribute to continued confidence in our products, ensuring that we meet the exact specifications required by our diverse range of customers.

GLOBAL PRESENCE

INNOVATION & GROWTH

Innovation, flexibility and a proactive approach to evolving markets has contributed to our success.

Don & Low have many long standing relationships with both customers and suppliers, who we work closely with to develop tomorrow's technical textiles.

We invite you to challenge us to deliver innovative solutions and value added products for your business.
